

June 2020

Dear Parent/ Carer,

I am very conscious of the fact that your child has had a disrupted Year 6, but please rest assured we are taking these unprecedented circumstances in to consideration in our planning for their transition to Wellsway School. To ensure a smooth transition from your child's current school, please find enclosed details of our Me@mybest Transition Box.

What is the Me@mybest curriculum?

Every student transferring to a Wellsway Multi-Academy Trust Secondary School will receive their very own box of Me@mybest resources. Each task has been designed so that they can be delivered at home, supported by parents/carers. Learning activities cover some of the key skills from the core subjects and a creative task allows pupils to communicate their interests, hobbies and personal strengths - providing the stimulus for introducing themselves at the start of Year 7. The curriculum is fully resourced and supported by a website and blog <https://me-at-my.best/>.

We want to do everything possible to ensure that your child makes a successful start at Wellsway School. The experience of completing the challenges in this curriculum will support your child during this important stage of their education. Please do not hesitate to contact me at komalley@wellswayschool.com if you would like to ask any further questions.

Yours faithfully,

Miss K O'Malley
Head of Transition
