### **STEM Up! 2025 Applications Now Open**

**STEM Up!** is a virtual programme for **Year 12 and prospective mature students** attending a **UK state school or college** who want to experience what it's like to study a science, technology, engineering or maths (STEM) subject at the University of Bristol.

The four sessions are scheduled to take place in **January and February 2025**. During the online programme, participants will:

- Meet academics and current students
- Participate in taster academic seminars
- Get involved in interactive tasks
- Receive information and guidance about studying a STEM subject at University.

**Applications for STEM Up! 2025 are now open. [LINK](#)**

**The application deadline will close on 24th November 2024 at 11:59 pm.**
