Please enter the names of your governors in column A. In row 2, please enter each of your AGC meeting dates, as indicated. For each governor, at each meeting, please enter a tick to indicate when a governor attended a meeting, and a cross to indicate when they didn't. In the final column H, please record the attendance as a fraction, for example 5/6 would indicate 5 attendances at 6 possible meetings. If a governor either joined or left your AGC part way through the year, please shade out the appropriate cell(s), ie before they joined, or after they left, and make sure that the Total Attendance column reflects the correct total possible attendances.
