

## Consent form for taking and use of images

Student Name	
Tutor Group	

We are proud of our learning at Wellsway School and enjoy sharing the successes of our students and staff. We do this within our school and trust using digital and print displays and in the wider community via our newsletter, on our website and social media. We also believe positive coverage of the school in the local and education press is an important means of celebrating the work we do.

For this reason, we sometimes take photographs and video of students. On some occasions, we will send images to local media outlets or invite them in to film or photograph activities. Students may also be interviewed/recorded/photographed by the media, education providers and researchers, or by their hosts when on educational trips and visits.

We would like your consent to take images of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please put a tick (✓) in the relevant box(es) to indicate your consent to the following use of images:	Indicate with a ✓
