

Wellsway School
Parents and Carers

16 July 2020

Dear Parent/ Carer

I am writing to let you know that Wellsway School and IKB Academy have been informed by Stagecoach bus company that the 432 bus service, running from Longwell Green/ Oldland Common to Wellsway School, will no longer be operating from September 2020.

We have spoken to Stagecoach, who operate the service, and it is clear the route has been making a significant loss for some time. We have expressed our concerns regarding this decision and have asked Stagecoach to reconsider. However, there is no likelihood this service will be resumed. This is not a statutory service and it is not possible for the school to find the significant amount of money required to subsidise this transport.

Stagecoach have requested that any parents wishing to contact them do so via the customer service section of their website <https://www.stagecoachbus.com/help-and-contact>

Yours sincerely

Gary Schlick
Director of Education
