

29th September 2023

Dear parents / carers,

We hope you had a lovely summer and that your son/daughter has had a positive start to year 9. I am writing to you to share an overview of some key dates that we have taken from our school calendar as well as some information on what our year 9 students will be learning during the year.

We hope this will help you with planning and organisation as well as keeping you informed of what students will be learning in the classroom. Please be reassured that there is no immediate action required as we will contact you with further details in advance of each event.

We also hope you understand that although this is correct at the time of printing, there may be times when we may have to alter arrangements due to unforeseen circumstances. In this event, we will send information as soon as we are able.

What will my child be learning?

Each subject has provided for you a breakdown of what will be studied in each subject per term. This can also be found on our website here in the form of a curriculum map:

<https://www.wellswayschool.com/assets/uploads/files/curriculum/KS3%20curriculum%20map.pdf>

Within this document you will find information relating to:

- A summary of the topic studied in each term in Year 9
- Other information such as any resources our students may need for the duration of the course, how the students will be assessed and homework expectations.

Some teams have also added some additional information which is attached in separate documents.

Extra-Curricular

We have a fantastic range of extra-curricular opportunities for our students across all year groups. Please use the following link to explore our offer:

Contacting Staff

For any queries, please use the general enquiries email, and we will pass your query onto the relevant member of staff (enquiries@wellswayschool.com)

I hope the above enables you to support your child with their learning. Please keep a close eye on My Child At School to view your child's behaviour points (positive and negative), homework and timetables.

Kind regards,

Mr S. Hill
Deputy Headteacher
